

Saddle Needs

Here is what you need for your saddle (As of November 2021):

The Shively Cutback Saddle:

The only saddle that should be bought for riders at Silvers Stables should be Shively saddles. No other saddle will fit the ASB or rider well enough and will not be accepted as an appropriate saddle for our riders. If you own another brand or move to us from another barn that allows another brand of saddle, when you buy a new saddle, it must be a Shively and be approved by Kati/Justin. In addition, it is strongly suggested that if you do not own a Shively due to moving to us, etc, and can sell your old saddle to purchase another saddle, that you do so. **ALL** saddles should be approved by Kati/Justin before purchasing.

WHEN YOU PURCHASE A SADDLE, YOU MUST ALSO PURCHASE THE BELOW ITEMS (THE INFO BELOW WILL GET YOU THE APPROPRIATE ITEMS, DO NOT PURCHASE ITEMS FROM OTHER PLACES AS LOW QUALITY ITEMS, LIKE LEATHERS, WILL DAMAGE YOUR SADDLE):

- 1 – Leathers
- 2 – Irons
- 3 – Name Plate
- 4 – Saddle Bag from RaDon, Inc.

Saddle Purchase –

DO NOT PURCHASE ANY SADDLE WITHOUT ASKING KATI/JUSTIN FIRST.

See Kati for your saddle needs. She will find the appropriate saddle for you.

Leathers –

Leathers (Winner's Circle): You will need to call Winner's Circle and tell them what you have (Ex: I have a 20 inch Shively) and that you need leathers to both match it and not scratch it. Do not get the cheapest ones as they stretch out. https://www.wcircle.com/stirrup_leathers

*****These are the leathers most suggested as they have a nylon core (reduces stretching):

Irons –

Irons: Fillis Irons – Most riders need 4.5" irons. <https://www.wcircle.com/inc/sdetail/400>

Name Plate –

Name Plate: <https://www.wcircle.com/inc/sdetail/281/11614>

*Please call them for your name plate (more than 12 characters allowed if you call).

*If you purchase a new saddle, you get a name plate for free.

Saddle Bag –

Everyone should have the same saddle bag. This bag should be BLACK WITH RED LETTERING/LINING. It should have *your rider's name* on one side and *Silvers Stables* on the other side (MAKE SURE THEY PUT SILVERS NOT SILVER). You will need to call them to make the order and make sure you tell them it is for a Saddleseat cutback saddle.
